PERSONAL LEARNING	GGA Level 10					
Thinking Skills and Problem Solving	Self Assessment					
 Pupils know and understand that it's ok to change your mind having made a preferred choice/decision With support they show resilience and they accept that their choice can't always be changed but they may have to wait until next time. 	 Describes a piece of work or activity in response to questions e.g. What have you been doing? Begins to recognise the key skill of communication when questioned after an activity using the key skill symbol prompt 					
 Pupils recognise when problems occur during familiar routines and activities and persevere when communicating the problem to someone else if initially misunderstood Pupils will spontaneously act on the single solution they have 	Begins to recognise the key skill of <u>friendships</u> when questioned after an activity using the key skill symbol prompt Begins to recognise the key skill of <u>teamwork</u> when questioned after an activity using the key skill symbol prompt					
• Pupils begin to realise that there may be more than one solution in response to further "what" questions • e.g. "what could you do?"	 Begins to recognise the key skill of <u>independence</u> when questioned after an activity using the key skill symbol prompt Begins to recognise the key skill of <u>thinking & problem solving</u> when questioned after an activity using the key skill symbol prompt 					
 Pupils are beginning to think of problems in terms of identifying/having a problem now. next I need to Pupils ask "who?" questions to gain more information or to have information clarified, or show curiosity 	Simple comment about a piece of work or activity in response to questions e.g. How hard did you work? "Really hard!"					
 Pupils begin to show resilience by accepting in an appropriate manner that they cannot always have their own choice Pupils can spontaneously negotiate to solve simple problems in familiar situations 	complete a piece of work or completed it independently/by themselves					
	Begin to respond to questions using symbol prompts " I think I need to get better at" Think I need to get better at "
